

FL 10.4 Earning an Income: Now and in the Future

Part 1 NOW:

- ✓ Complete some research to provide detail in the following table.
- ✓ Use local sites and resources (i.e. [Career Talks](#) or [Relevance](#)) as much as possible. You could interview folks to find answers too!

		Name of Job or Gig	Pay	Tax Implications?	Advantages
Part-Time Job	Option 1				
	Option 2				
Side Hustle or “Gig”	Option 1				
	Option 2				

Part 2 **FUTURE** (2 Pages):

- ✓ Complete some research focused on one job for each type of employment in order to provide detail in the following table.
- ✓ Ensure that your research focuses on local sites and resources as much as possible. Consider interviewing professionals!
- ✓ Use the [Relevance magazine Job Chart](#) to research income and post-secondary options.

	Name of Job or Gig	Advantages	Disadvantages
Journey person			
	Average Annual Pay		
	Name of Job or Gig	Advantages	Disadvantages
Profession requiring University Degree			
	Average Annual Pay		

FUTURE continued (Consider watching interviews with entrepreneurs and other professionals on [Contact360.ca's Career Talks](https://www.contact360.ca/career-talks))

	Type of Potential Business	Advantages	Disadvantages
Self-Employed Business Owner			
	Potential Annual Income		
	Type of Gig	Advantages	Disadvantages
Freelance Jobs or “Gigs”			
	Potential Pay Per Gig		

REFLECTION

1) What is the best option for you to earn an income while you are in high school? Consider how your goals at school, extracurricular activities, and other commitments may impact the type of job or gig you may be able to work toward.

2) What did you learn about the advantages and disadvantages of certain types of future employment? Explain which option(s) are best suited for you.
