

Listening Guide and Follow-Up for Investment Option Presentations

During each presentation, briefly note:

1. Presentation Title & Presenters
2. What are the main characteristics of this investment?
3. Write down the key benefits mentioned.
4. What risks were outlined?
5. What do you find most compelling or surprising about this investment option?
6. Jot down any questions you have that you'd like to discuss later.

Reflect after the Presentations

- a. Choose two investment options that were presented and compare their benefits and risks.
- b. Which of the two options appeals to you more and why?
- c. How successful was your group's presentation?
