

# Listening Guide and Follow-Up for Investment Option Presentations

## During Each Presentation

### Briefly note:

1. Presentation Title & Presenters
2. What are the main characteristics of this investment?
3. Write down the key benefits mentioned.
4. What risks were outlined?
5. What do you find most compelling or surprising about this investment option?
6. Jot down any questions you have that you'd like to discuss later.

## After the Presentations

### Personal Reflection:

- a. Choose two investment options presented and compare their benefits and risks. How do they differ? Which one appeals to you more and why?
- b. How successful was your group's presentation?

1. Presentation Title & Presenters

2. What are the main characteristics of this investment?

3. Write down the key benefits mentioned.

4. What risks were outlined?

5. What do you find most compelling or surprising about this investment option?

6. Jot down any questions you have that you'd like to discuss later.
