

NAME: _____

Til Debt Do Us Part

Money is the number one cause of failed marriages. Rare is the couple that agrees on how the \$ should be divided and the bills paid. Most families are in debt, and with debt come family arguments, tears, tantrums and marriages on the verge of divorce. To save families from the doldrums of debt, each episode of *Til Debt Do Us Part* follows financial wizard [Gail Vaz-Oxlade](#) as she helps families go from red to black by getting to the root of their destructive spending habits.
