

STUDENT LOANS

Name _____

- Google search “It’s a Money thing Synergy Union” Enroll in the It’s Money Thing Academy and enroll in the borrowing unit.

A large percentage of students do not have the ability to pay for post-secondary education without incurring debt. Watch the video and review the infographic to create a VENN diagram comparing Government Issued student loans and Privately Issued student loans.

Additional Important Information

At the bottom of the Infographic is some further information to help students reduce their debt load during post-secondary education.

1. What is the two step?
2. Where does the site say you should get extra credit?
3. Where do they advise you to seek out scholarships?
4. Be aware if you are leaving the province for school. A single school may have a different tuition amount for _____, _____, and _____ students.
5. What are the benefits of completing an accelerated program and the drawbacks?

What are further questions you have about student debt or access to it?

What are three things you could do to avoid or reduce possible student debt for post-secondary?
