

Video Interviews with Elders

In order to incorporate Indigenous world views and perspectives into this textbook, eight Elders from FNUniv were interviewed during 2017 and 2018. For quick identification and access, the full set of interviews with Elders is listed below, along with a brief explanation of the focus of each interview.

NOTE: *The following Elder videos are the copyright of each interviewee and licensed under a CC BY-NC-SA 4.0 International License. Include the name of the Elder, title of the interview, and license, when referencing these videos. The video interviews with Elders were produced by Terry Massey, Strictly Social.*
