

# 5 Point Pledge

**SAVE MONEY:** If I don't already have one, I will open a savings account and add to it regularly. That way I will always have money for the important things in life.

**SPEND WISELY:** I recognize the difference between needs and wants. I will always take time to weigh my options when I spend with cash or credit.

**HELP OTHERS:** I will do my best to provide for my own needs. I will contribute to provide for the needs of others when possible.

**CONTINUE TO LEARN:** I will continue to educate myself on ways I can be financially literate and seek counsel before a financial disaster occurs.

**PLAN AHEAD:** I will start to plan for my future now! I will do all I can to get the post-secondary education I need to have a fulfilling career.
