

Money Fair Student Reflection

1)) What information did you learn about your topic that will impact your future decisions about money?

2) Explain what you enjoyed most about this project.

3) Explain what was the biggest challenge of this project.

Money Fair Student Reflection

4) Describe your role in your group. What did you do to ensure your project would be successful?

OR

If you worked on your own, what is a lesson you learned about creating a project on your own that will have a positive impact on future projects?

5) What was it like to share your information during the showcase?

6) What are you most proud of about your project?
