Suggestions for scoring:

- Since there are three indicators for each category, consider giving 3 points for each (9 total). The extra point could be a bonus if the students' work in that category is excellent.
- A basic way of looking at the 10-point scale:

10- Perfect! Wouldn't change a thing!

9- Excellent! One or two small revisions needed.

8- Very good. Errors do not detract from quality.

7- Good. Content is there, but a few revisions needed.

6- Adequate. Additions and revisions needed.

5- Halfway there

3-4 More effort needed to meet indicator.

1-2 Incomplete
