Step 2: WRITE DOWN 20 MONEY MISTAKES identified in these two families in the video

Step 3: Imagine you are like Suzie Orman and you are a financial advisor

One of the two couples in the video have attended your office and you are going to write them a letter telling them about the 20 money mistakes they have made (that you have written down from your notes). This could be in sentence or point form. Add to your letter some advice on what they need to start doing to get their finances in order. You could add this advice along the way in the letter or at the bottom.
