

## **MODULE 30A- INSURANCE - PRINCIPLES OF INSURANCE ACTIVITY**

TASK: Critique the Statement

The statement's:

- 1) "I can't afford insurance" and
- 2) "Insurance is a non negotiable expense related to owning big ticket items."

For each of the two statement's above, you will need to write a paragraph that from an argumentative perspective (ie. Why can't somebody afford not to have insurance - Is insurance negotiable? Is it only for big ticket items?).

Each paragraph needs to be 4-5 sentences in length and can be completed either on a new piece of paper OR they may type this on the computer and print a copy to hand in.
